**HONGGUOCUN**

We are a professional greenhouses and portable wardrobes manufacturer, and sourcing company located in Yongkang City, Zhejiang Province, China. Our company is established in 1995. We have more than 30,000 square meters manufacturing space, three available assembling lines and over 300 employees who smoothly run our production lines daily. We are capable of producing 3000-5000 pieces of greenhouse per day and normally finalizing customer's sample within 10 days. Every order is inspected since we take the order until order completed.

We have accumulated a range of over 200 designs of greenhouse. Our "Hongguocun-keke" brand is famous domestically because of its satisfying quality, acceptable price, frame structure and customer service. Europe, UK, and the United States are our current largest markets. We also having a promising market in Australia, and Japan. We have built long business relationship with many well-known buyers, such as Sainsbury's-Argos, Aldi, Obi, Walmart, Gifi and etc.

Our factory is near to Shanghai and Ningbo port. It is a convenient location to collect containers. Moreover, Chinese High Speed Train station is 30 minutes away from our factory that make you very easy to visit our company. To learn more about us, please visit: [www.hgcgroup.net](http://www.hgcgroup.net). Hope that we can hear from you soon!

*This was my secret garden,  
I played here as I child,  
But now as I stare  
Over my secret garden,  
I only hope one day,  
Another child may put my garden,  
To repair....*
